

21 W. 732 - 2

2/2

Busy, but not overloaded

Writing ^{topic} is your choice

Can be hypothetical or an actual proposal

She speaks very well organized - librarian

But I should really learn the science aspects of this class
and continue to grow organization skills

This class should be fairly easy

Pick the book in advanced

All assignments get revised + resubmitted after graded

+
✓
-

You get 1 extension 3 days
-ask before hand

Must hand everything in to pass

Students lead discussion of reading

"Attendance is essential"

Schedule is front loaded
