Camp Kweebec

The camp was fun. I have already told what seems like 1 million people how the camp was and I don't want to say it again. So lets see moving on... 11 days left, 3 instructional. I can't wait for that to be 3, 0 because that is the talent show. Also 0,0 is good because it is the last day of school. Monday we have off which is always welcome. What else, oh Mrs. Fasto's newspapers I am not involved in which is a lucky break. Well times up.

Weekend

My weekend was good. I slept alot and sat around and played my new bridge crossing game. I did my homeworks Mon but I read and answered qu's for the wrong Chap. Sat night we went to D'Altonoes which still looks like an old deli. On Sun I went to Bertuch's which was good as always. I didn't type my essay. 3 days instructional, 11 days of school left. I can't wait for school to let out and for the talent show to come up. Someone mentioned a sci quest Wed which I didn't know about. I am starting to level out in my school work, I need to try harder. Well what else can I talk about. Oh yes 😊 times up.

Witch or Wizard

Well I don't know what I would do. I might be good or bad. I don't know. That reminds me.

Harry Potter Movie

The new Harry Potter movie comes out today. Some people saw it last night, Opps & mean early, early this morning. I am going to see it Saturday night at 7:30 PM in United Artist King of Prussia Stadium 16 Auditorium 4, an IMAX theater. The new movie Harry Potter & Prisoner of Azkaban (the Imax Experience) is by a different director than the 1st. The director is more on the people than the special effects. Well that's it for the day. 3 days, 5 instructional left!

Weekend

6/7

Well, well, well. I had a good weekend. Friday, I did nothing Saturday I started transferring Mexico movie to edit. It was also my brother's birthday party, and I "got" a present. I also saw the Harry Potter movie and it was bad. There were never lush green valleys and demonters don't leave the ground. There was no bridge to Hagrid's hut and almost none of ~~the~~ of Judd's was shown. Well Sunday... Oh, times up.

Changed through year

6/10

I don't know. I don't keep track of that or pay attention to it. I have more important stuff to do. Today is the last day of classes for 7th Grade and there are 4 repeat that 4 days left of school. I can't believe it. I probably opened up more, more of a rebel, not so tight. Well here in Passes a year 7th grade middle of Middle School. Now we are going into 8th grade of school.
