## Vindicated

by: Dashboard Confessional

Album: Spider-Man 2 Music From and Inspired by the Motion Picture

Hope dangles on a string  
Like slow spinning redemption  
Winding in and winding out  
The shine of which has caught my eye

And roped me in  
So mesmerizing, so hypnotizing  
I am captivated

[Chorus]  
I am Vindicated  
I am selfish  
I am wrong  
I am right  
I swear I'm right  
I swear I knew it all along

And I am flawed  
But I am cleaning up so well  
I am seeing in me now the things you swore you saw yourself

I think you should know

That green eyes, you're the one that I wanted to find  
And anyone who, tried to deny you must be out of their mind

Cause I came here with a load  
And it feels so much lighter, since I met you  
Honey you should know, that I could never go on without you

Green eyes  
Green eyes

Ohohohohooooo  
Ohohohohooooo

Ohohohohooooo  
Ohohohohooooo

Honey you are a rock  
Upon which I stand

The line "you are the rock upon which I stand" represents that the couple are each other's rocks. They rest and build upon each other and work together nicely. The line "I came here with a load and it feels so much lighter since I met you" represents how her life changed when she married Nathan. Before marriage she was full of

somebody then you die" represents how even though the marriage was arranged, they couple worked well together and loved each other until their deaths. They had some rough spots, but they pulled out ahead.

## Green Eyes

by: Coldplay

Honey you are a rock  
Upon which I stand  
And I come here to talk  
I hope you understand

That green eyes, yeah the spotlight, shines upon you  
And how could, anybody, deny you

I came here with a load  
And it feels so much lighter, now I've met you  
And honey you should know, that I could never go on without you

Green eyes

Honey you are the sea  
Upon which I float  
And I came here to talk

So clear  
Like the diamond in your ring  
Cut to mirror your intentions  
Oversized and overwhelmed  
The shine of which has caught my eye  
And rendered me so isolated, so motivated  
I am certain now that

[Chorus]

So turn  
Up the corners of your lips  
Part them and feel my finger tips  
Trace the moment, fall forever  
Defense is paper thin  
Just one touch and I'd be in  
Too deep now to ever swim against the current  
So let me slip away [3x]  
So let me slip against the current  
and let me slip away [4x]

[Chorus]

Slight hope  
It dangles on a string  
Like slow spinning redemption...

vin 'di 'cate (vīn'dī-kāt')

1. To clear of accusation, blame, suspicion, or doubt with supporting arguments or proof: "Our society permits people to sue for libel so that they may vindicate their reputations" (Irving R. Kaufman).
2. To provide justification or support for: vindicate one's claim.
3. To justify or prove the worth of, especially in light of later developments.
4. To defend, maintain, or insist on the recognition of (one's rights, for example).
5. To exact revenge for; avenge.

"Vindicated" tells the narrator's story. her life is one of conflict. At first she is hopeful, right after her marriage. In her youthful exuberance she is different then how she is later in her life. Once she figures out how hard life it, she is different. Life looks good right after marriage, but then everything changes when reality sets in. Her life "dangles on a string;" it's ready to tear at any moment. Never does her life remain stable; even in a small rural village her life is volatile, perhaps even more so then in modern American society. Is her life vindicated, or worth something in the end?

## Life is a Highway

by: Rascal Flatts

Album: Cars Soundtrack

Life's like a road that you travel on

No, no, no, no, no

I can't change my mind  
no, no, no, no, no,  
I can't change  
Can't change my body,  
no, no, no

I'll take you down the only road I've ever been down  
I'll take you down the only road I've ever been down  
Been down  
Ever been down  
Ever been down  
Ever been down  
Ever been down  
That you've ever been down  
That you've ever been down

The line "you're a slave to the money then you die" represents the narrator and her husband working the land always trying to have enough money to feed their growing family. Also it represents that Nathan worked up until just days before his death in order to have enough money to return to his old village. The line, "but here I'm in my mold" represents Nathan's daily life of just working day after day in the fields. The line "trying to make ends meet, trying to find

But the airways are clean and there's nobody singing to me now

No change, I can't change  
I can't change, I can't change  
But I'm here in my mind  
I am here in my mind  
And I'm a million different people  
from one day to the next  
I can't change my mind  
No, no, no, no, no, no, no  
I can't change  
I can't change it

'Cause it's a bittersweet symphony, this life  
Trying to make ends meet  
Trying to find some money then you die  
I'll take you down the only road I've ever been down  
You know the one that takes you to the places  
where all the veins meet yeah

You know I can't change, I can't change  
I can't change, I can't change  
But I'm here in my mind  
I am here in my mind  
And I'm a million different people  
from one day to the next  
I can't change my mind

When there's ne day here and the next day gone  
Sometimes you bend and sometimes you stand  
Sometimes you turn your head to the wind  
There's a world outside ev'ry darkened door  
Where blues won't haunt you anymore  
Where brave are free and lovers soar  
Come ride with me to the distant shore  
We won't hesitate  
Break down the garden's gate  
There's not much time left today

Life is a highway  
I wanna ride it all night long  
If you're going my way  
I wanna drive it all night long

Through all these cities and all these towns  
It's in my blood and it's all around  
I love you now like I loved you then  
This is the road and these are the hands  
From Mozambique to those Memphis nights  
The khyber Pass to Vancouver's lights

Knock me down get back up again  
You're in my blood  
I'm not a lonely man  
There's no load I can't hold

And all I've tried to hide  
It's eating me apart  
Trace this life out

I'll keep you my dirty little secret  
(Dirty little secret)  
Don't tell anyone or you'll be just another regret  
(Just another regret)

I'll keep you my dirty little secret  
(Dirty little secret)  
Don't tell anyone or you'll be just another regret  
(Just another regret, hope that you can keep it)  
My dirty little secret  
Dirty little secret  
Dirty little secret

Who has to know?  
who has to know?

The line "let me know that I've done wrong, when I've known this all along" represents the point in the story when Kunthi threatens the narrator to tell her secret about her little problem with conceiving children. Rukmani told Kenny to keep that their "dirty little secret." The line "when we live such fragile lives it's the best way we survive"

it was soon made up. When she journeys to the city, her life takes a dramatic change. The city turned out to be a wrong turn in the highway of life, but in the end she manages to survive. The book ends as she is back with her family at home happy.

### **Karz Theme**

Artist: DJ Amit

Album: Bollywood Dream Theme

This instrumental track from India tells the story which the narrator travels. It starts out with her marriage, a magical time full of hope and promise. As with all Indian celebrations, the oldest is lavishly spoiled while the last in the family has nothing. Married life starts out slow, with only a daughter for the first few years. But all of a sudden, it takes off. Year after year, another son is born. Then her life is up and down. From a rich harvest to drought and famine, the narrator's life is very dynamic. Toward the end of her life she is forced off her land into the crowded city. But soon she returns safe and sound. Overall, the energy of this score mirrors the narrator's life.

### **One Step Closer**

by: Linkin Park

I cannot take this anymore  
I'm saying everything I've said before  
All these words they make no sense  
I find bliss in ignorance  
Less I hear the less you'll say  
But you'll find that out anyway  
Just like before...

Everything you say to me  
Takes me one step closer to the edge  
And I'm about to break  
I need a little room to breathe  
Cause I'm one step closer to the edge  
And I'm about to break

I find the answers aren't so clear  
Wish I could find a way to disappear  
All these thoughts they make no sense  
I find bliss in ignorance  
Nothing seems to go away  
Over and over again  
Just like before...

Everything you say to me  
Takes me one step closer to the edge  
And I'm about to break

I'll keep you my dirty little secret  
(Dirty little secret)  
Don't tell anyone or you'll be just another regret  
(Just another regret, hope that you can keep it)  
My dirty little secret  
Who has to know

When we live such fragile lives  
It's the best way we survive  
I go around a time or two  
Just to waste my time with you

Tell me all that you've thrown away  
Find out games you don't wanna play  
You are the only one that needs to know

I'll keep you my dirty little secret  
(Dirty little secret)  
Don't tell anyone or you'll be just another regret  
(Just another regret, hope that you can keep it)  
My dirty little secret  
Who has to know

The way she feels inside (inside)  
Those thoughts I can't deny (deny)  
These sleeping dogs won't lie (won't lie)

So things are gonna fly - never say die!!!

The song was chosen to represent the doctor, Kenny. Kenny travels all around the world, trying to spread the word about the needs and problems of the poor Indians. He collects donations by telling their stories in order to build the hospital which they need desperately. Kenny has gone through a lot in order to help the narrator and her town. His dedication actually causes his wife and children to leave him because they do not see him enough. "When the walls fall down" represents the trouble which Kenny went through to build the hospital. It took him seven years of prodding the hospital forward to get it done. Many hardships including falling walls set him back.

All around the world,  
You gotta spread the word,  
Tell em what you heard,  
Youre gonna make a better day,

Cos all around the world,  
You gotta spread the word,  
Tell em what you heard,  
You know its gonna be okay.

All around the world,  
You gotta spread the word,

Tell em what you heard,  
You know its gonna be okay.

La lalalala la lalala la,  
La lalalala la lalala la.

And I know what I know,

*One step closer to the edge,  
And I'm about to break.*

This is how Nathan and the narrator feel when they are forced off of their land where they lived and farmed for over 30 years. They decide to go to one of their sons who lives far away in a city. Once they arrive they are misled many times, the items they were carrying where stolen, and they find out their son left his wife years ago. This pushes the narrator and her husband very close to the breaking point, as they where in a foreign place with no money, no friends, and no place to stay.

## QWERTY

by: Linkin Park

Your LIIEEEEESSSS!!!!

(grunt) Rah!

Yeah,

I didn't think that I had a debt to pay  
Till they came to take all I had left away  
You said you did't put me to the test today  
But I remember you saying that yesterday

There was a time when your mind wasn't out of control  
Every memory and confession pouring out of your soul  
Like a pill you couldn't swallow, and it swallowed you whole  
Another lie, hard to follow, till they followed you home  
And like that

Broken down, a victim of your...

Lies  
You hide behind, lies  
You don't know, why  
You crossed the line  
Wrapped up inside,  
Your Lies  
You hide behind, lies  
You're lost inside that cold disguise  
Behind your lies...

I don't know what you thought I might say  
Seems like we never would talk the right way  
Every other minute I fought for my place  
And drop what I made, And thought you might stay  
So, I'm guessing that you probably know  
When your insides hollow then you ought to be cold  
Like a pill I couldn't swallow, and it swallowed me whole  
Another lie, hard to follow, till it followed me home  
And like that

Nanana, nanana, nananana nananana,  
Nanana, nanana, nananana nananana,  
Naaaa, naaaa, naaaaa, naaaaa, nanananana,  
Nanananana, nanananana,

All around the world,  
You gotta spread the word,  
Tell em what you heard,  
Youre gonna make a better day.

And all around the world,  
You gotta spread the word,  
Tell em what you heard,  
You know its gonna be okay.

Cos all around the world,  
You gotta spread the word,  
Tell em what you heard,  
Youre gonna make a better day.

And all around the world,  
You gotta spread the word,  
Tell em what you heard,  
You know its gonna be okay.

Its gonna be okay!  
Its gonna be okay!

Tell em what you heard,  
Youre gonna make a better day.

All around the world,  
You gotta spread the word,  
Tell em what you heard,  
You know its gonna be okay.

What you gonna do when the walls come falling down,  
You never move you never make a sound,  
When you gonna swin with the ridges that you found,  
If youre lost at sea well I hope that you drown,

Take me away, cos I just dont want to stay,  
And the lies you make me say are getting deeper every day,

These are crazy days but they make me shine,  
Time keeps rolling by.

All around the world,  
You gotta spread the word,  
Tell em what you heard,  
And all around the world,  
You gotta spread the word,  
Tell em what you heard,  
You know its gonna be okay.

(Broken down, a victim of your...)

Lies  
You hide behind, lies  
You don't know, why  
You crossed the line  
Wrapped up inside,  
Your Lies  
You hide behind, lies  
You're lost inside that cold disguise  
Behind your lies...

(grunt) Rraaaah!

You're faking, you're mistaken  
If you think that you could climb out of this hole  
Forsaken, what we take with  
All the lies above the power of control

Broken down, a victim of your

Lies

You hide behind, lies  
You don't know, why  
You hide behind, lies  
You don't know, why

You hide behind, lies  
You don't know, why  
You hide behind,

Wrapped up inside

Your lies  
You hide behind, lies  
You don't know, why  
You crossed the line  
Wrapped up inside,  
Your Lies  
You hide behind, lies  
You're lost inside that cold disguise

*A victim of your lies,  
you hide behind,  
lies you don't know.  
When you crossed the line,  
wrapped up in your lies.*

These words from the song apply to the narrator and her daughter, Ira. Ira becomes a prostitute in order to earn direly needed money to feed the family. The parents are stunned that Ira would turn to this profession, but they do not push it onto her. They feel that if anyone

sky turn gray. This is especially true when the two get married. At first their life seems great, like a blue sky. However, seven children later, they hit hard times. One line in the song mentions how one's life has been gray, exactly the way their lives are when they are kicked off their farm. The songs talks about how one can try to hide their misfortunes and bad luck. This is what the couple chooses to do. As Kenny, the doctor, said, she does not cry out for help when she needs it the most. She just sits there and accepts it.

## All Around the World

by: Oasis

Its a bit early in the midnight hour for me,  
To go through all the things that I want to be,  
I dont believe in everything I see,  
Yknow Im blind so why dyou disagree

Take me away, cos I just dont want to stay,  
And the lies you make me say are getting deeper every day,

These are crazy days but they make me shine,  
Time keeps rolling by.

All around the world,  
You gotta spread the word,

Sometimes the system goes on the blink  
And the whole thing turns out wrong  
You might not make it back and you know  
That you could be well oh that strong  
And I'm not wrong

(yeah...)

So where is the passion when you need it the most  
Oh you and I  
You kick up the leaves and the magic is lost

Cause you had a bad day  
You're taking one down  
You sing a sad song just to turn it around  
You say you don't know  
You tell me don't lie  
You work at a smile and you go for a ride  
You had a bad day  
You've seen what you like  
And how does it feel for one more time  
You had a bad day  
You had a bad day

"Bad Day" represents the life of the two main characters in Nectar in a Sieve. In the song David Powter talks about how everybody's blue

happens to find out about Ira's new job, their family will be shunned and disrespected in the public eye. Thus they are forced to "lie" about Ira's profession.

## The Reason

by: Hoobastank

I'm not a perfect person  
There's many things I wish I didn't do  
But I continue learning  
I never meant to do those things to you  
And so I have to say before I go  
That I just want you to know

I've found a reason for me  
To change who I used to be  
A reason to start over new  
and the reason is you

I'm sorry that I hurt you  
It's something I must live with everyday  
And all the pain I put you through  
I wish that I could take it all away  
And be the one who catches all your tears  
That's why I need you to hear

I've found a reason for me  
To change who I used to be  
A reason to start over new  
and the reason is you (x4)

I'm not a perfect person  
I never meant to do those things to you  
And so I have to say before I go  
That I just want you to know

I've found a reason for me  
To change who I used to be  
A reason to start over new  
and the reason is you

I've found a reason to show  
A side of me you didn't know  
A reason for all that I do  
And the reason is you

I chose to use the song “The Reason” by Hoobastank because it relates to the part in [Nectar in a Sieve](#) where the narrator goes back into their home to see Ira, since she savagely attacked her. The narrator thinks that she is someone else because it is dark out and she can only see her back. Afterwards, she is very ashamed of what she did. In the song it says:

You're taking one down  
You sing a sad song just to turn it around  
You say you don't know  
You tell me don't lie  
You work at a smile and you go for a ride  
You had a bad day  
The camera don't lie  
You're coming back down and you really don't mind  
You had a bad day  
You had a bad day

Will you need a blue sky holiday?  
The point is they laugh at what you say  
And I don't need no carryin' on

You had a bad day  
You're taking one down  
You sing a sad song just to turn it around  
You say you don't know  
You tell me don't lie  
You work at a smile and you go for a ride  
You had a bad day  
The camera don't lie  
You're coming back down and you really don't mind  
You had a bad day

(Oooh.. a holiday..)

out about her husband's infidelity. When it was revealed to her, she did not make such a big deal about it. When they first met, Nathan wanted everything for Rukmani, he wanted to say that he would always care for her, but he did not know how to say the words. Instead, he proved this by building her a house with his bare hands and protecting her however he could. Rukmani also saved him from his despair many times and filled him with reason. After all, she's his wonderwall.

## Bad Day

by: David Powter

Where is the moment we needed the most  
You kick up the leaves and the magic is lost  
They tell me your blue skies fade to gray  
They tell me your passion's gone away  
And I don't need no carryin' on

You stand in the line just to hit a new low  
You're faking a smile with the coffee you go  
You tell me your life's been way off line  
You're falling to pieces every time  
And I don't need no carryin' on

Because you had a bad day

*I'm sorry that I hurt you  
it's something I must live with everyday  
and all the pain I put you through  
I wish that I could take it all away  
and be the one who catches all your tears*

This stanza basically shows what the narrator was saying and thinking after she attacked Ira, and went into to see her. She obviously felt very bad after she did this and the mood of the song is also very soothing and mournful sounding and this is another reason why I used this song.

## Wonderwall

by: Oasis

Today is gonna be the day  
That they're gonna throw it back to you  
By now you should've somehow  
Realized what you gotta do  
I don't believe that anybody  
Feels the way I do about you now

Backbeat the word was on the street

That the fire in your heart is out  
I'm sure you've heard it all before  
But you never really had a doubt  
I don't believe that anybody feels  
The way I do about you now

And all the roads we have to walk along are winding  
And all the lights that lead us there are blinding  
There are many things that I would  
Like to say to you  
I don't know how

Because maybe  
You're gonna be the one who saves me ?  
And after all  
You're my wonderwall

Today was gonna be the day?  
But they'll never throw it back to you  
By now you should've somehow  
Realized what you're not to do  
I don't believe that anybody  
Feels the way I do  
About you now

And all the roads that lead to you were winding  
And all the lights that light the way are blinding

There are many things that I would like to say to you  
I don't know how

I said maybe  
You're gonna be the one who saves me ?  
And after all  
You're my wonderwall

I said maybe  
You're gonna be the one who saves me ?  
And after an  
You're my wonderwall

Said maybe  
You're gonna be the one that saves me  
You're gonna be the one that saves me  
You're gonna be the one that saves me

Rukmani, the narrator, is Nathan's, her husband's, wonderwall. She is there whenever he needs her. When times are great, Rukmani is there but she is also right next to him when the times are rough. Nobody knows Nathan like her husband does. Together, they had a rough life, like a winding road, but they stick together, like a brick wall. They also know from the first moment they met that their relationship was going to be hard, but they kept with it, even when Rukmani found
